

Gary & Laurie Ivins
2988 Highland Flats Rd.
Naples, Id. 83847

Directions:

Coming from Sandpoint and going north turn left into Naples the easiest way is the first left turn lane right across from JJ's Cookshack a restaurant on the east or right side of the 95. Stay on that road until you pass the Welco cedar mill on the right. A little further and then you turn left again and cross the railroad tracks. That is Highland Flats road. Stay on the road until you reach our drive. I believe it's about 6 miles. You will cross a four corners but continue on straight until the pavement ends. Our drive is just past the second house on the left. You will see a pine sign that says (Ivins, HC1 Box 375-B2) I haven't gotten around to changing it yet. Anyways turn left and go through the gate but please remind every one to shut and lock the gate as my neighbor runs sheep and we don't want them escaping. They will see the house at the end of the drive and can park any where in the field near the house.
