Very Reverend Father Gregory Horton, Pastor

*Antiochian Orthodox Christian Archdiocese of North America*

October 3, 2024

Dear Beloved Brethren and Friends of Holy Myrrhbearers:

Grace and peace from Our Lord and Master, Jesus Christ! What a blessed year of growth! We are literally “busting out” on Sundays and quantity is not the only measurement. The quality of the people coming to our parish...both new and seasoned...is outstanding. During the next few months, we will be bringing more new people into the Church and our parish. With this growth comes the need for added classes, services and other activities. Let us consider together how we can be a part of these prayers and activities.

As part of that consideration, we look forward to receiving your pledge for the coming year of 2025...Who knows where God will lead us all during this upcoming and monumental year. One thing is for certain...our commitment to the work of the Body of Christ must be part of inviting the Grace-filled Providence of God for us as families and persons, as well as a parish within the Holy Orthodox Church. This is always a part of our vision as Orthodox Christians and an integral part of our Life in Christ.

**Please consider pledging something for the coming year...and may it be blessed!**

Kindly indicate your commitment for 2025 by filling out the enclosed/attached form and returning it as soon as possible to the church (just drop it in the donation box in back or mail it to the address at the top) or by emailing the treasurer with your pledge at [abauck@1791.com](mailto:abauck@1791.com). Thank you for your commitment and for your love...may the Lord, Jesus Christ bless you and your family abundantly during the new year.

All of My Love in Christ,

Fr. Gregory+
